# A Celebration of Life's Most Precious Moments.

Right outside your door is the Outer Banks' most gorgeous water view, the Currituck Sound, where you can play and celebrate by sailing, birdwatching, crabbing and other waterfront activities.

Aside from our lovely soundside pool and hot tub, our guests also receive full use of the Corolla Light Resort Village's amenities:

seven outdoor tennis courts, two oceanfront pools, an oceanfront restaurant and lounge, children's playgrounds . . . and indoor sports center with Olympic pool, hot tub and sauna, indoor clay tennis courts and exercise room.

The moment you step from your car, you'll feel your other life giving way to your dream of how the Outer Banks would be. When you step into your room you'll find many with fireplaces, whirlpool tubs, breathtaking views of the Sound and comfortable sitting areas.

providing fresh-cut flowers, champagne and wine or concierge services. Awaken each morning to a greeting of herons and waterfront vistas . . . breathe the fresh seaside air.
